---

***Dear Colleagues!***

On September **20-24, 2010** the anniversary **X International Yalta Finance Forum** will take place, organized by the Business Strategy Center "Perspektiva" jointly with the League of Insurance Organizations of Ukraine and other domestic and foreign professional associations.

The Forum, founded in 2001, received the level of meaningful international event. The Forum's history is inseparably linked with the stages of international, domestic financial and insurance markets' development. **2010 will be a milestone for the Forum, which will celebrate its first tenth anniversary.** Traditionally hundreds of participants from over 30 leading countries worldwide take part in the Forum.

In connection with its anniversary date the Forum will adopt the representatives of legislative and executive branches of government, world-renowned industry experts on Economics and Finance, the leaders of world and domestic insurance markets, the heads of financial markets' regulation and supervision of the leading countries worldwide.

The subjects of the X International Yalta Finance Forum will be devoted to the present state of the financial and insurance market in terms of dynamic trends both in the national and global context; strategic management; risks in motor insurance and assistance service; the conceptual development of reinsurance; pension provision and life assurance; world practice of state regulation of financial sector; reorganization, merges and acquisitions of financial institutions; the principles of fair competition, transparency, formation of information policy and further strengthening the business ties of the financial systems in different countries etc.

Particular attention will be given to the establishment of a self-regulating organization that will contribute to the insurance market consolidation, as well as the rise of insurance services standards and improvement of quality control.

Traditionally the round table discussions and master classes will be chosen as the place for Forum's instructive and meaningful discussions. In the framework of the National Insurance Market Day there will be a presentation of the experience one of the leading countries in the insurance market of Europe.

On behalf of the Business Strategy Center "Perspektiva" and the League of Insurance Organizations of Ukraine we have the honor to invite you to attend the X Anniversary International Yalta Finance Forum. Please note this information in planning for 2010.

We invite you to participate, and will be sincerely glad to see you at the Forum!

***Yours faithfully***
